A universal brush-scraper with a brush necessary in the trunk of every driver - combines the functionality of a squeegee, practical brush and scraper. It will effectively clean the body of ice and the roof of snow or leaves. This practical tool has a soft brush on one side, a water and steam gum on the other, and an ice scraper. The aluminum frame ensures solidity, durability and long product life. Comfortable to use - the handle made of high quality Nice Touch soft foam guarantees a solid grip and effectively protects your hand against frost.
