A practical brush-scraper made of durable material and flexible bristles allows you to effectively get rid of snow. The innovative brass scraper blade effectively removes ice and frozen snow without scratching the glass. The Futura Color series combines simplicity, high-quality workmanship and refined elegance. Plastic elements and a soft cover guarantee the comfort of using this unique brush-scraper. User-friendly thanks to comfortable, soft grips - "soft handle" - does not slip out of your hands. Environmentally friendly - plastic elements come from recycling.
