A practical brush-scraper made of durable material and flexible bristles allows you to effectively get rid of dirt. The innovative brass scraper blade effectively removes ice and frozen snow without scratching the glass. It allows you to effectively remove snow even from a large car thanks to the telescopic sliding handle. The Futura Color series combines simplicity, high-quality workmanship and refined elegance. Plastic elements and a soft cover guarantee the comfort of using this unique brush-scraper with a telescope. User-friendly thanks to comfortable, soft grips, it does not slip out of your hands. Environmentally friendly – plastic elements come from recycling.
