

## Ice scraper with brass blade K 12

**Ref.:** 090899

**EAN:** 5904720090899

**Pieces in the package:** 35 pcs

**Product dimensions:** length: 12cm

**Product weight:** 0.05 kg

**Carton weight:** 1.99 kg

**Carton dimensions:** 37cm x 27cm x 18cm

**Cartons on a layer:** 9

**Layers on a palette:** 10

**Cartons on a pallet:** 90

**Pallet height:** 195cm

The ideal ice scraper for scraping thick glass panes that ordinary plastic ice scrapers can't handle. The scraper blade is made of brass alloy, thanks to which its use is 100% safe - sand will not stick into it as in a plastic scraper - therefore the scraper will certainly not scratch the glass. It is a product thanks to which you can easily remove, among others glass stickers. It is ideal for removing control registration stickers while removing glue.

- Eko
- Product customization possible

- It is possible to apply a logo
- Hanging hole for shop hooks
- The product is made of recycled material
