**Layers on a palette:** 13

**Cartons on a pallet:** 39

**Pallet height:** 210cm

A solid brush designed for cleaning work on streets, squares and other larger surfaces. It is excellent at dealing with both large impurities and small ones, such as pollen or animal hair. The tool comes in a set with a wooden handle. The head in which the stick is placed is made of metal, which provides the product with longer life and longer durability.

The bristles, which are made of plastic, are characterized by hardness and appropriate length. Eko
