Carton weight: 2.61 kg

Carton dimensions: 57cm x 37cm x 14cm

Cartons on a layer: 4

Layers on a palette: 13

Cartons on a pallet: 52

Pallet height: 197cm

Comfortable, ergonomic cleaning brush to which you can directly connect a water hose. The water drainage element protects against flooding of hands and clothes. The special end of the brush head makes it easier to scrape particularly stubborn dirt. The innovative shape enables handy holding of the brush also from above. It has dense, soft, non-scratching polyester bristles (split ends of bristles to facilitate cleaning and eliminate varnish scratches). Bristles resistant to cleaning agents.
